Ageing Faithfully

2017 CONFERENCE

Spirituality and well-being
in the second half of life

Thursday, July 27
8 a.m. – 2:30 p.m.

Elmen Center
at Augustana University
Sioux Falls, S.D.

Aging Faithfully

Our lives and faith look different in the second chapter of life. There are new opportunities and many experiences behind us, too.

You may find yourself asking:

- What is God's purpose for me in this stage of life?
- What does faithfulness look like now?
- How do I trust Him and have courage as I age?
- How can my faith remain vibrant and strong?
- How can I help others who find themselves in this stage of life?

Join us as we bring together some of the best voices across religious traditions to discuss how spirituality and well-being are different in the second half of life and how that can be celebrated in daily living.

Whether you are an older adult, you work or care for an older adult, or you are simply interested in the topic, we invite you to take part in this day of reflection and discussion featuring author Dr. G. Scott Morris.

We invite guests of all faiths.
