The South Dakota Synod Companion Synod Committee invites you to meet Cameroon Lutherans in their home settings. We will conduct a “listening campaign” to hear of their hopes and fears for life in their communities.

They Live with a story ...

Of refugees resettled, of health care given, of rural development and relief, of worship....

A Quote from AFRICA—An Essay (Time, Feb 23, 1987):

“Africa has its blinding clarities and its shadows. The clarities proclaim something primal, the first days of life. The shadows lie at the other extreme of time: in the premonition of last days, of extinction. Now you see the animals, languages, and ethnic cultures. Soon ,perhaps, you won’t.”

They extend an invitation...

To come visit them in Cameroon, and to give to support their ministries.

Here are the mission projects we are promoting in Cameroon in 2017:

- Theological Books for Library, Meiganga
- Library-Classroom-Chapel at Seminary, Meiganga
- Elementary School in Poli, Ngomana
- Roofs for Churches throughout Cameroon
- Health and Medical Work at hospitals and clinics
