The 2018 South Dakota Synod Compensation and Guidelines state that “Supply pastors conducting worship services (including weddings and funerals) in substitution of a regularly called pastor should receive \$175 for one service and \$75 for each additional service (if conducted in the same parish and not requiring a new preparation). Mileage should be compensated at the current IRS rate and housing provided if necessary. Teaching of confirmation classes should be reimbursed by \$75 per preparation plus travel expenses. The rate of \$20 per hour should be provided for visitations during the pastor’s absence if requested by the congregation.”
