MISSION SPOTLIGHT
Church on the Street
 An Emerging Ministry for the unhoused.

Church on the Street is not like other churches. We have no walls or pews. What we do have is faith that Christ is in each of us. Church on the Street, A Ministry with the Homeless, believes that every human being, regardless of whether they are housed or un-housed deserves the opportunity to worship. As a Ministry under development with the South Dakota Synod of the ELCA, we, Church on the Street provide a ministry to the marginalized homeless community of Sioux Falls, SD.

Church on the Street is a ministry whose primary focus is reaching out to the Homeless and impoverished community of Sioux Falls with the Good News of New Life in Jesus Christ. This emerging Ministry came out of the Strategy Table where a call to provide a Faith Community for ALL to gather and seek healing in the Word, find spiritual fulfillment in Christian Community was identified.

Mission Partners are mutually supportive congregations who offer whatever each has (Prayer, Presence, and Presents). **Mission Boosters** commit to give \$200 per year, \$100 for an unexpected need and \$100 for the new starts mission fund/salary. Mission Boosters might be called upon if unexpected needs arise or so that the new ministry can take advantage of a promising opportunity to expand their mission and reach people with the Gospel of Jesus Christ. **Contact Rev. Bill Tesch, Director of Evangelical Mission, in the synod office at 605/274-4026 or btesch@sdsynod.org or Rebel Hurd, Mission Developer at rebel@peacelutheran.com or 605-759-7869** if you are interested in furthering God's mission in South Dakota.
