

DWELLING IN THE WORD

DWELLING IN THE WORD

1) In pairs or small groups, read together a passage of scripture.

2) Allow time for each person to share what they heard in the scripture reading.

You might share something you:

- had never heard in text before.
- what you find surprising.
- felt were words of comfort.
- would like to ask a biblical scholar about or anything else that comes to your mind.

3) Listen well. When we gather back as a large group, your job will be to share with the rest of the group what you heard and learned from your partner.

4) The last question each person should answer is:

"What can I pray about for you?"
