The 2024 South Dakota Synod Compensation and Guidelines state: “Supply pastors conducting worship service (including weddings and funerals) in substitution of a regularly called pastor should receive \$225 for one service and \$50 for each additional service with the same preparation in the same parish on the same day. If an additional service is on a different day, then compensation should be \$150 for the additional service. Worship Leaders (without a sermon preparation) who serve in place of a Minister should receive \$75 per service. Teaching of Confirmation Classes should be reimbursed at \$100 per preparation. Visitations should be paid at \$30 per hour during the pastor’s absence if requested by the congregation. Mileage should be compensated at the current IRS rate for all persons providing supply services to the congregation.”
