

2026 Synod Assembly Voting Instructions:

Voting at this year's Synod Assembly will take place on the secure online platform Poll Everywhere. Congregations are responsible for ensuring that each of their voting members has a device (phone, tablet, etc.) that can connect to Wi-Fi.

- Voting members will receive their usernames and passwords to log in to the site, as well as the specific link to the Synod Assembly voting page, at registration. There will be a help table near registration to troubleshoot any issues.
- We encourage you to log in to the voting platform as soon as possible after registration. We encourage you to make sure you can log in before Plenary 1 begins, to help save time and keep the Assembly running smoothly.
- Volunteers will be available during voting to help resolve any issues.
